Tuberculosis Education and Training Resource Guide

This guide includes:

- Educational Materials for Patients and the General Public
- Educational Materials for Health Professionals
- List of TB-related Organizations
- Internet Resources
- Funding Opportunities

The Tuberculosis Education and Training Resource Guide was developed as a cooperative effort between the Centers for Disease Control and Prevention (CDC) National Prevention Information Network (NPIN) and the CDC Division of Tuberculosis Elimination (DTBE).

Access the Tuberculosis Education and Training Resource Guide online:

HTML format: <http://www.cdcnpin.org/scripts/tb/guide/toc.asp>

PDF format: <ftp://ftp.cdcnpin.org/Guides/tbguide.pdf>

The print-based Tuberculosis Education and Training Resource Guide (item #99-6352) is available from The CDC National Center for HIV, STD, and TB Prevention (NCHSTP) and can be ordered by:

- 1) Accessing the online order form at www.cdc.gov/nchstp/tb;
- 2) Calling the CDC voice and fax information system (recording) toll-free at 888-232-3228, then pressing options 2, 5, 1, 2, 2;
- 3) Faxing a request for material to the NCHSTP Office of Communications at 404-639-8910;
- 4) Mailing a request to the CDC NCHSTP Office of Communications at 1600 Clifton Rd, NE, MS E-07, Atlanta, GA 30333.

The print-based Tuberculosis Education and Training Resource Guide is also available from the CDC National Prevention Information Network (Item #B035), PO Box 6003, Rockville, MD 20849 6003; 800-458-5231; www.cdcnpin.org.

For other information on TB, please visit the CDC Division of TB Elimination website: www.cdc.gov/tb
